

Great News! Three New Underwriting Liberalizations at West Coast Life!

We have heard your requests and are happy to report the following underwriting changes are effective immediately:

Sleep Apnea: A Standard offer is much easier to obtain on many mild to moderate sleep apnea cases. In many situations, the applicant will not need a sleep study subsequent to C-PAP Compliance.

Aviation: We are now able to offer Standard in many instances where we had been issuing with a flat extra on private pilots.

Scuba Diving: Standard is now available for recreational scuba diving up to **100 feet**. An applicant may qualify for either Super Preferred or Preferred on recreational scuba diving up to 75 feet.

Questions?

Please feel free to contact your Underwriting Team or the Inquiry Desk at your underwriting location regarding specific case consideration.
